CORPORATE SPEECHES

CHANGE MANAGEMENT

"Change Is Here, Embrace It"

- Navigating change throughout the organization.
- Self image impact on effectively managing change.
- Leading our teams through change.
- Facing the fears and resistance of change.

CORPORATE LEADERSHIP

"The Leadership Privilege"

- Realizing your instilled leadership potential.
- Gaining confidence through leading yourself first.
- Relating how we see our team to leading them.
- Understanding purpose behind leading your teams.

LEADERSHIP PURPOSE

"The Deeper Purpose In The Work"

- Unlocking the deeper purpose of our work.
- Shaping our character to fit our purpose.
- Our leadership impact on our team's lives.
- Mitigating traps of endless pursuance of objectives.

Joshua Spears
Speaker and Author

Joshua Spears is a professional motivational speaker and author who has been captivating audiences and helping people live with passion and purpose through his change-driving presentation for over 16 years. Joshua conducts these engaging speeches for corporate conferences, team-building sessions, school events, and fundraisers, and has earned a robust, best-in-class reputation in the industry.

Spears has a deep commitment and ability to help people find their unique purpose. Whether it's helping teams through organizational changes, helping employees and leaders find the deeper meaning to their work, or relating with groups on personal topics, Joshua thrives on making the connection to have those life-changing moments that people want to experience.

Joshua's experience in speaking engagements has landed him presenting in front of a broad range of audiences, corporations, and industries. Joshua possesses the ability to engage and connect his audience through uniquely developing each presentation around the business needs and the client's goals.

Amongst Joshua's accomplishments is being a published author of his book *Personal Revolution*, winning multiple awards as a longtime member of Toastmaster, being a guest speaker on multiple podcasts, and conducting a host of radio and publication interviews.

TESTIMONIALS

"He left our team inspired not only professionally but personally as well. You could tell he really cares about his work!"

"His presentation really helped kick off our event and set the tone for the rest of our meeting. I would definitely recommend him as a speaker."
